The maximum ISA allowance for the 2017/2018 tax year is £20,000. The tax efficiency of ISAs is based on current rules.

The value of your investments and any income from them can fall as well as rise and you may not get back the original amount invested. The current tax situation may not be maintained. The benefit of the tax treatment depends on individual circumstances.

Although no fixed term, you should consider stocks and shares ISAs to be a medium to long term investment of ideally five years or more.
